As with all outdoor sporting events, the St. Johnsbury Academy Invitational can be canceled or shortened due to weather. The tournament is held on athletic fields used by many teams during the spring and cannot be permanently damaged. Because of the size of the tournament, it is impossible to arrange a rain-date and many of the items needed to run the tournament must be paid for well before the event. **If the tournament has to be shortened or cancelled due to inclement weather we will not be able to provide refunds.** By entering your name below you are stating that you understand the above information:
